4 I always thought that the fact of the pay of the Asst Secy to the conference (Mr K. Subba Rao) being charged wholly to the head Sects was a sufficient balancing factor. If the foregoing proposal is adopted then Mr K. Subba Rao's pay & allce will also have to be decided. Can't we leave things as they are for this year? JM 15/7

5 What is shewn in the budget as Asst Secy to Conference is really a Special Duty appointment. Asst Secy for VI is really Conference Asst Secy also. JM

18 In connection with the apportioning of the pay of the Secretary to Government, Departments of Education and Agriculture, between General Administration and Economic Conference, the Financial Secretary has suggested that the pay of the Assistant Secretary to the Economic Conference should be similarly debited. There is no objection to a substantial part of the pay of the Secretary to the Economic Conference being debited to General Administration as the purely Government Secretariat work has increased to such an extent that it occupies not less than about six hours a day on the average, the Economic Conference work being usually done by me in the mornings and after the usual office hours. I have noted hereunder the number of receipts and issues for the last 3 years in the E.& A. Secretariat and the Economic Conference Office.-

Year.	E.& A. Sectt. Receipts.	Issues.	Eco. Confce. Receipts.	Issue
1913-14	⊠		1623	1988
1914-15.	3828	5688	2963	3963
1915-16.	6503	7974	3580	5553

⊠ Branch VI was formed on the 1st September 1914.

This does not include several large schemes initiated and worked out by me and publication of manuals and bulletins.

19 2 Owing to the great expansion of work in the E.& A. Secretariat and the necessity for more efficient check and affording greater relief to the Secretary, I have already submitted a proposal

(7)

that Branch VI which forms the E.& A.Secretariat should be placed in exclusive charge of one officer who should have the status at least of an Under Secretary to Government and the present Assistant to the Secretary to the Economic Conference be appointed Assistant Secretary, Economic Conference which work he is practically doing now. In these circumstances I am of opinion that the existing practice of charging the full salary of the Assistant Secretary to General Administration should not be changed. I beg that this suggestion may be considered when the question of apportionment is taken up and my proposals to separate the two offices and to increase the establishment in the E.& A. Secretariat, sanctioned early.

Submitted to His Highness.

21 The pay and local allowance drawn by the Secretary to the Economic Conference is at present wholly debited to the Conference budget. This is not correct as the Secretary to the Economic Conference is also Ex-officio Secretary to Government in the Departments of Education and Agriculture and Government have fixed the emoluments of the officer in consideration of his dual functions.

*Page 3 of office notes

22 2. The Council are therefore of opinion that the salary of this officer may be debited to the General and Revenue Secretariat and the Economic Conference in equal proportions.

*Page 4 of do

23 3. The Financial Secretary considers that on the above principle the salary of the Assistant Secretary to the Economic Conference and Assistant Secretary to Government in the Departments of Education and Agriculture, which is now provided in full in the budget of the General and Revenue Secretariat, should also be similarly debited. This suggestion may be considered along with the proposals for reorganizing the Secretariat, which are pending before --- the Council.
